1. I was working as security guard in Perfect Diamond Company at Santacruz. I used to work in shifts of day and night. I used to go by bus from Kandiwali to Charkop for my duty. The incident took place on 11/07/06. On that day at about 6.15 pm. I was sitting on platform no.2 & 3 of Borivali railway station. I wanted to go to Santacruz. I was sitting on a bench near about the location of first class compartment from the Virar Side. I was facing west. At about 6.25 to 6.30 pm a local train going towards Virar came on platform no.4. At that time there was a loud explosion. I was lifted from the bench and thrown down. I saw that my left leg was blood stained and it was not in place from the knee downwards. I was crying for help. People on the platform were running around shouting. I was semi-conscious and I was taken by people to Bhagwati hospital. After preliminary treatment I became unconscious.
